FROM: Geneva

TO: Secretary of State

NO: CAHTO 101, June 10, 3 p.m.

PRIORITY

FROM SECRETARY FOR DILLON

LIMIT DISTRIBUTION.

After discouraging session yesterday we may find it necessary to suggest conference recess for a period of time to permit delegations to consult with their governments. In this event we must face up to possibility that USSR might proceed in interim to conclude peace treaty with GDR. I hope tripartite consultations on contingency planning have been completed and Department as well as USUN ready to move in Security Council in case situation warrants.
